

Letter of Authorization

I hereby authorize the Government of Grenada and any agents, representatives, or affiliates that the government may appoint, to conduct background checks to verify personal information about me and/or my family members (including, as applicable children). These details may include verification of my residential address, educational credentials, and employment history, including my current employment.

The Government of Grenada and any agents, representatives, or affiliates that the government may appoint are furthermore authorized to obtain further information about me and/or my family members (including, as applicable children) such as credit reports, criminal records, and other publicly-available documents.

I authorize all persons who may have information relevant to these enquiries to disclose it to the Government of Grenada and/or any agents, representatives, or affiliates, and I release all persons from liability on account of such disclosure.

I hereby authorize and acknowledge that a photocopy of this authorization be accepted with the same authority as the original.
